

VENICE – Allergen list

Please ensure you inform a team member of your allergen needs ahead of ordering. This will allow us to take every precaution, in our kitchen, to handle your allergen needs correctly and prevent cross contamination.

The Allergy data has been collected and derived from the specifications obtained from our suppliers. This information is specific to the MAJOR 14 allergens:

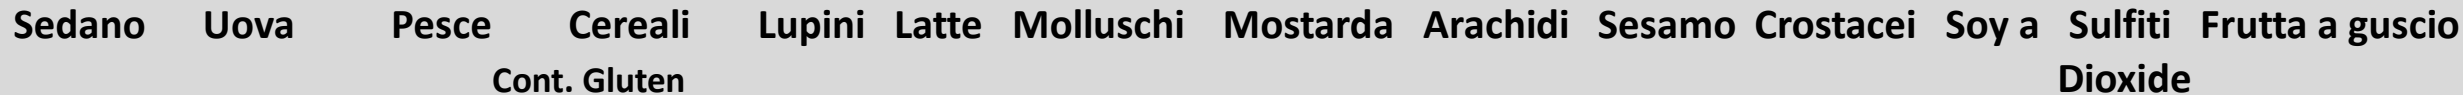

This data is provided to allow you to make an informed choice.

Some of our dishes ‘*may*’ be modified to help remove an allergen, or ingredient, but this is not always the case. If you need help choosing a dish please speak to one of our managers.

**Please note that due to the nature of cooking, our deep fried products cannot be guaranteed to be free from cross contamination with other allergens. If you are unsure which of our products go through the deep fryer please ask a member of our staff.*

I dati sulle allergie sono stati raccolti e derivati dalle specifiche ottenute dai nostri fornitori. Queste informazioni sono specifiche per i 14 allergeni PRINCIPALI:

Alcuni dei nostri piatti “potrebbero” essere modificati per aiutare a rimuovere un allergene o un ingrediente, ma non è sempre così. Se hai bisogno di aiuto nella scelta di un piatto, parla con uno dei nostri responsabili.

***Si prega di notare che, a causa della natura della cottura, non è possibile garantire che i nostri prodotti fritti siano esenti da contaminazione incrociata con altri allergeni. Se non sei sicuro di quali dei nostri prodotti passino attraverso la friggitrice, chiedi a un membro del nostro staff**
